The image shows a modern outdoor café at night. The space is defined by wooden frames and slatted walls. Integrated LED lighting creates a warm, ambient glow. In the foreground, there's a wooden booth with a white counter. The background features a large mural of a tree and a path. The overall aesthetic is contemporary and inviting.

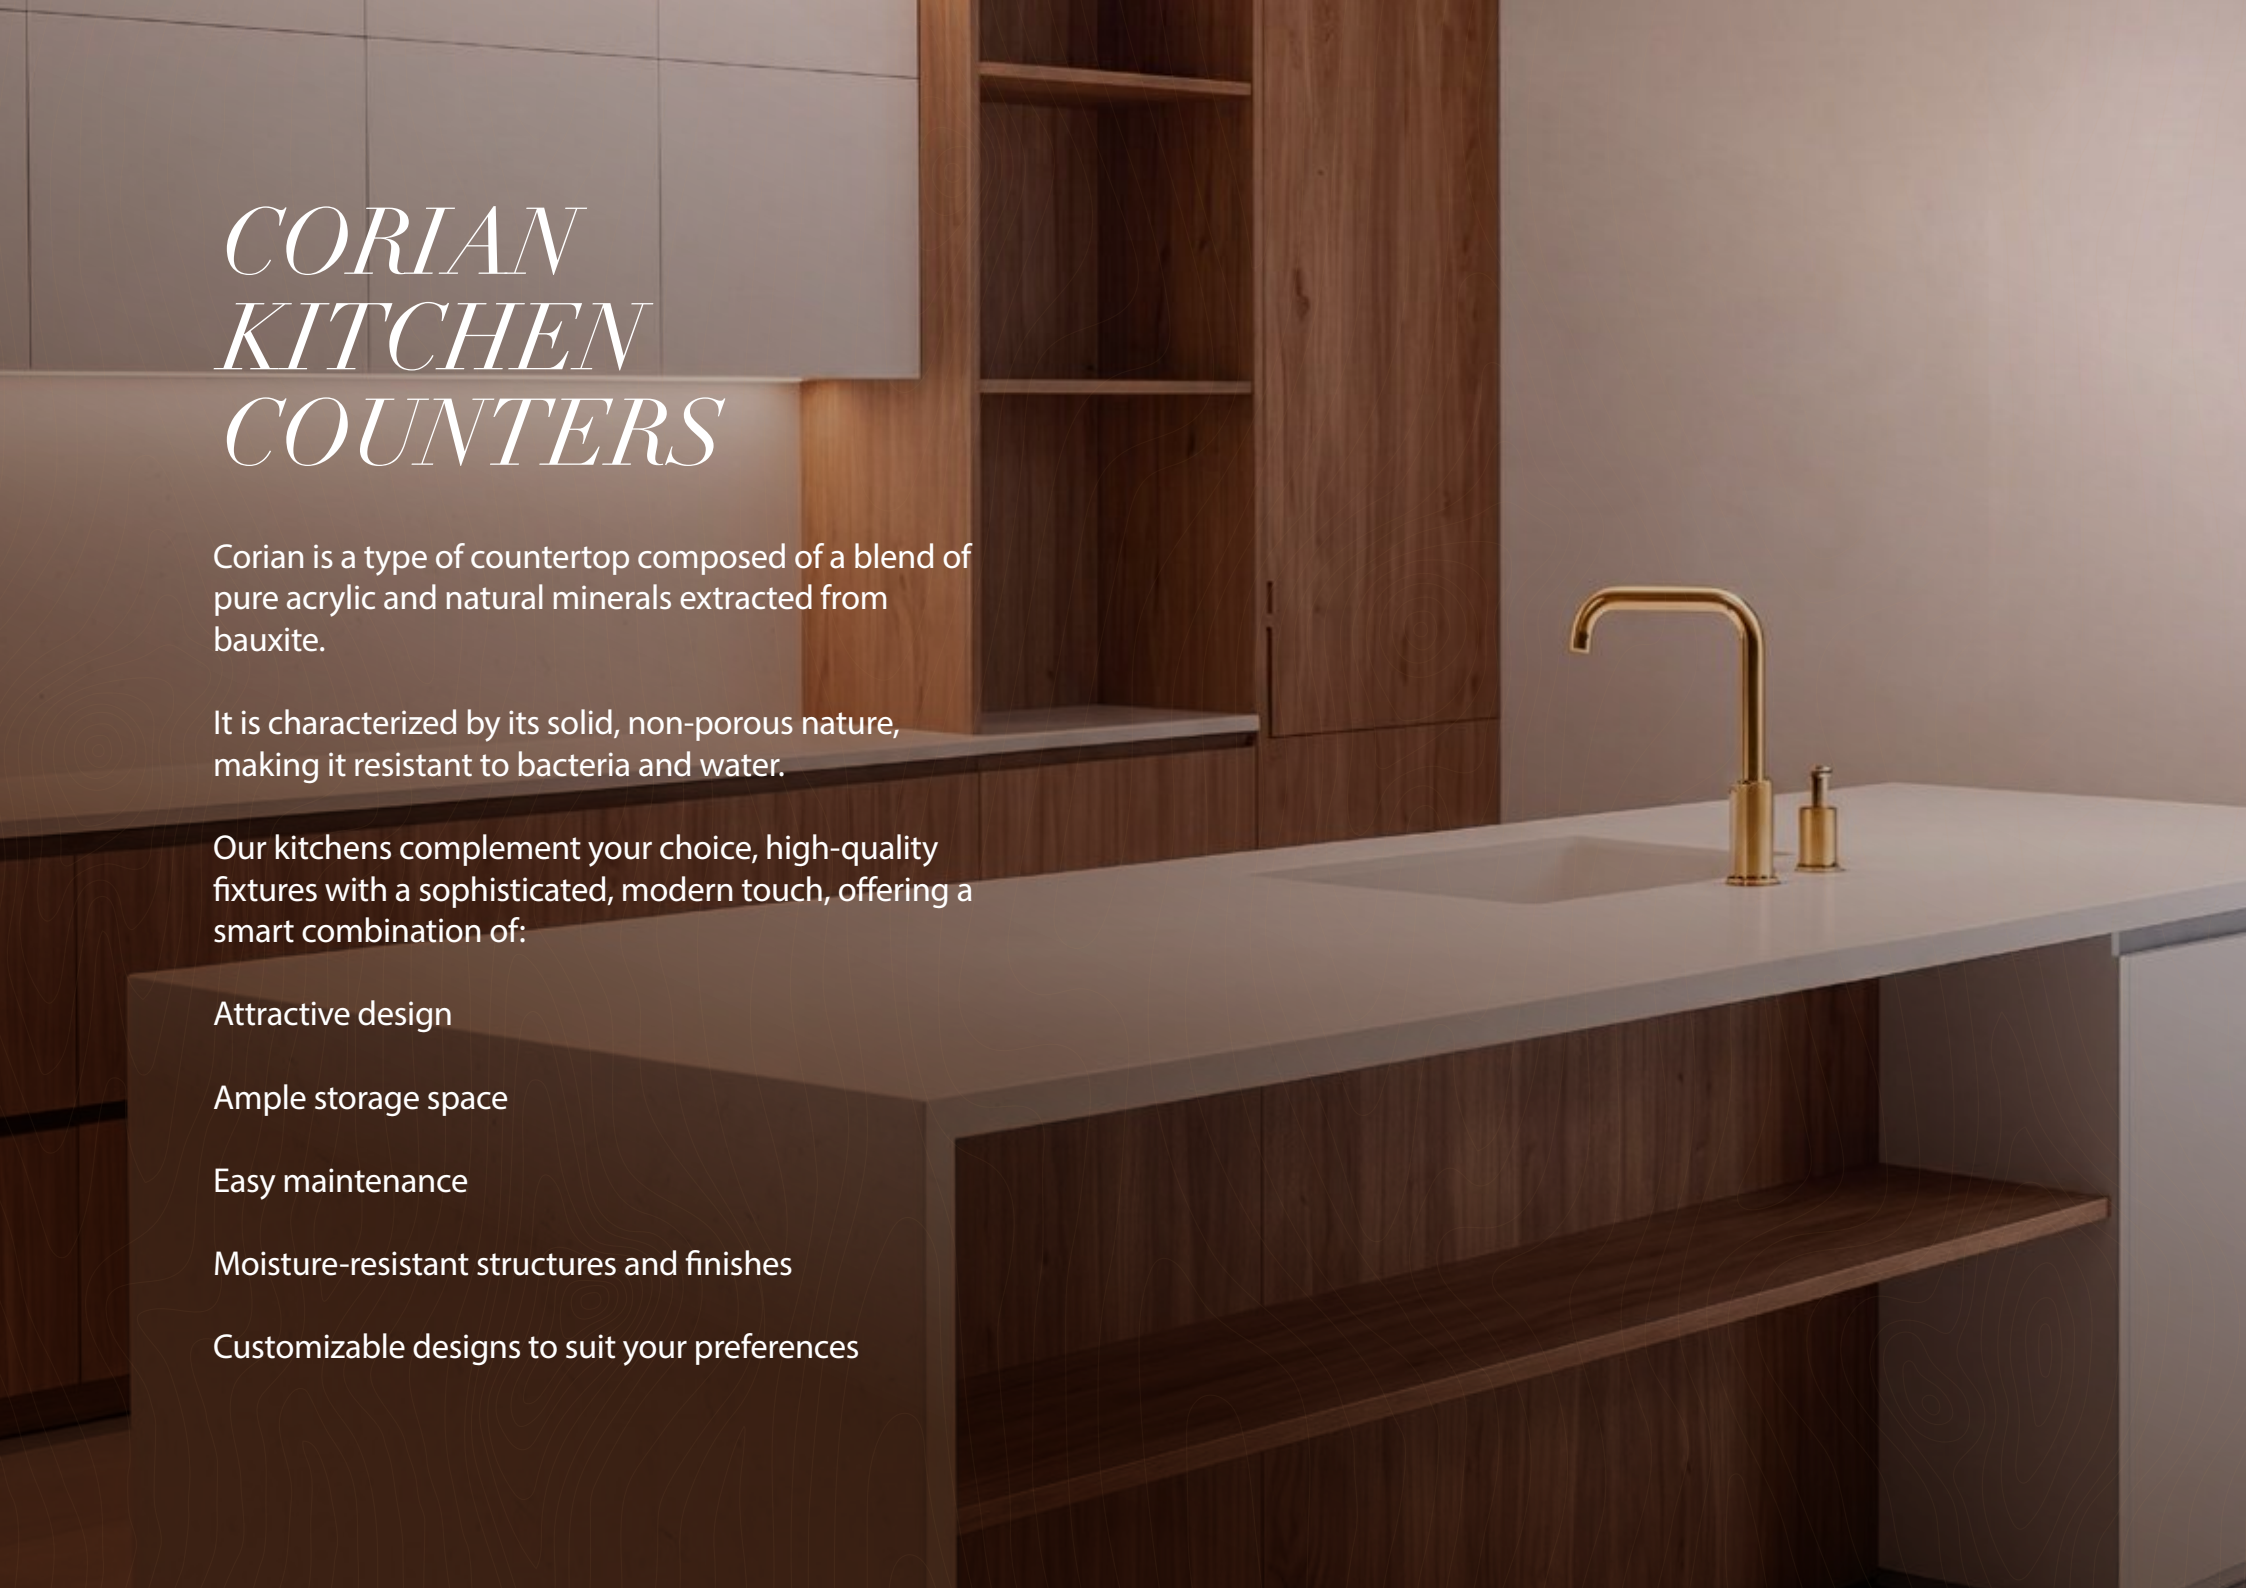

CAFÉ DESIGN

We design and build custom café areas featuring solid wood booths with integrated LED ambient lighting.

Our outdoor café solutions combine durable timber frames, comfortable cushioned seating, and warm under-glow lighting to create an inviting atmosphere for guests.

Each booth is crafted to withstand outdoor conditions while maintaining a premium, modern aesthetic, complete with wooden cladding, and coordinated color palettes tailored to your brand identity.

CORIAN KITCHEN COUNTERS

Corian is a type of countertop composed of a blend of pure acrylic and natural minerals extracted from bauxite.

It is characterized by its solid, non-porous nature, making it resistant to bacteria and water.

Our kitchens complement your choice, high-quality fixtures with a sophisticated, modern touch, offering a smart combination of:

Attractive design

Ample storage space

Easy maintenance

Moisture-resistant structures and finishes

Customizable designs to suit your preferences

DONE

A custom-built white MDF serving booth is shown in a workshop setting. The booth has a clean, modern design with a large rectangular panel on the front and a top section divided into several compartments for display and storage. A silver metal pole is attached to the top. The background shows a workshop with various tools, a workbench, and other equipment.

BOOTH DESIGN

Custom-built serving booth designed for outdoor café use.

Features a clean MDF structure with compartments for display and storage, ready for branding.

Also includes a wooden coffee booth with a flat wooden canopy roof, LED strip lighting, artificial grass flooring, and string lights. The setup provides space for a barista station and includes a side display cart with shelving, making it suitable for outdoor events and temporary cafés.
